Any modification to or deletion of a provision or part-provision under this Clause 32(c) shall not affect the validity and enforceability of the rest of the Contract. If one party gives notice to the other of the possibility that any provision or part-provision of the Contract is invalid, illegal or unenforceable, the parties shall negotiate in good faith to amend such provision so that, as amended, it is legal, valid and enforceable, and, to the greatest extent possible, achieves the intended commercial result of the original provision. The payment or deduction of such penalties shall not relieve Contractor from its obligation under this Contract to complete the performance of Work. If no payment is due, Contractor shall pay the penalties within thirty (30) days from receipt of Company's notice informing Contractor of its obligation to pay.
